RE: Postponement Request for Code Amendment

On March 22, 2007, the Council scheduled a public hearing to consider an amendment to the Design Standards to designate three streets within the University Hills/Windsor Park Neighborhood as core transit corridors. This code amendment was to be considered in conjunction with the public hearing for the neighborhood plan.

Staff will be conducting additional meetings with the University Hills/Windsor Park neighborhood to discuss proposed zoning and design changes in the planning area. Therefore, staff requests a postponement of the public hearing to May 24, 2007.

If you have any additional questions you may contact me at 974-2387, or Adrienne Dornas at 974-6355.
